

CITI RCR Online Training Login Guide

1. Follow this link: <https://about.citiprogram.org/en/homepage/>

This link will take you to the CITI login page.

Note: You can reach CITI at 1-888-529-5929 with questions.

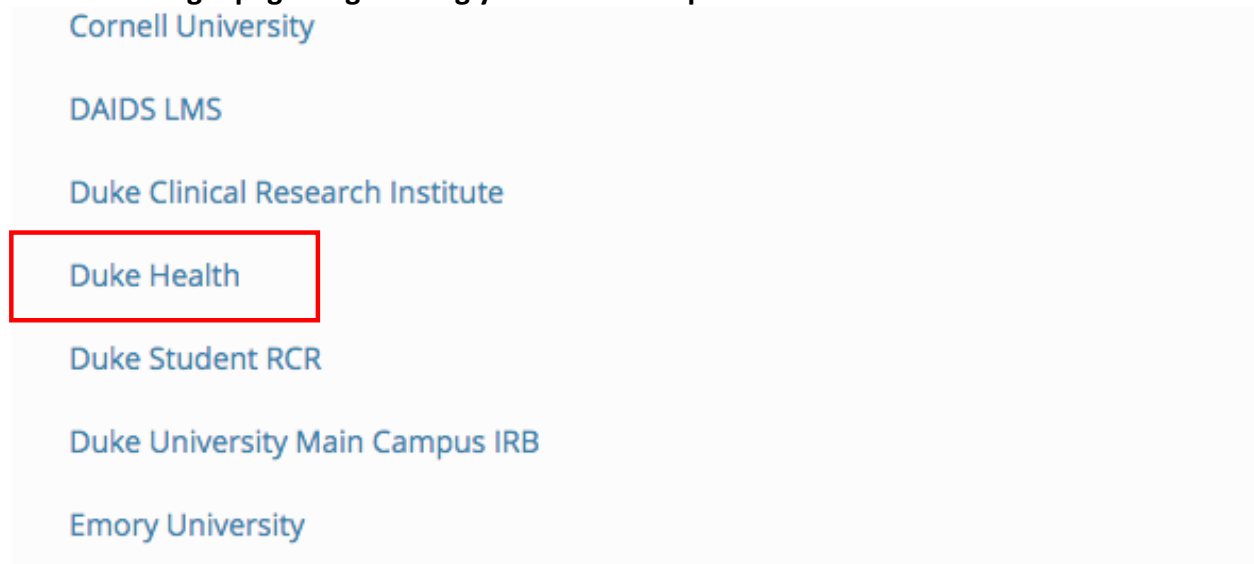

2. Click Login.

3. Click “Log In Through My Institution”.

4. Scroll through the list and choose “Duke Health”. You will be directed to the Duke Shibboleth login page. Log in using your NetID and password.

Note: if you have not previously registered with CITI, you will need to register and CITI will guide you through that process. Following registration, you will need to click on “Affiliate with Another Institution” and type “Duke Health” in the search bar. This will allow you to follow the steps as outlined below.

5. Select “Duke Health Courses” from the list.

The screenshot shows the CITI PROGRAM website header with the logo and the text 'Collaborative Institutional Training Initiative'. A navigation bar contains links for 'Main Menu / My Courses', 'My Profiles', 'My Records', 'My CEUs', and 'Support', along with a search icon. Below the header, a message reads: 'Thanks for using our new format. Would you like to share your feedback with us through a quick survey?' with two buttons: 'Yes, take me to the survey.' and 'No thanks.'. A list of menu items is displayed, with 'Duke Health Courses' highlighted by a red rectangular box. Other items include 'DEMO Courses', 'Duke Clinical Research Institute Courses', 'Affiliate With Another Institution', and 'Affiliate as an Independent Learner'.

6. Click “Add a Course”.

The screenshot shows the CITI PROGRAM website after a successful submission. The header and navigation bar are identical to the previous screenshot. A green checkmark icon is followed by the text: 'Your request has been successfully submitted.' Below this, the same survey feedback message and buttons are present. The 'Duke Health Courses' menu item is expanded, showing a table with the following data:

Course ?	Status ?	Completion Record ?	Survey ?
Basic Science Research Fellows	Not Started	Not Earned	
Responsible Conduct of Research/Duke Health	Incomplete	Not Earned	

Below the table, a 'My Learner Tools for Duke Health' dropdown menu is open, with 'Add a Course' highlighted by a red box. Other tools include 'Remove a Course', 'View Previously Completed Coursework', 'Update Institution Profile', 'View Instructions page', and 'Remove Affiliation'. The 'Affiliate With Another Institution' menu item is visible at the bottom of the page.

7. Choose the “Responsible Conduct of Research” learner group. Then, click “Next”.

Home > Add a Course

Select Curriculum - Duke Health (ID: 1415)

* indicates a required field.

* Please choose one learner group below based on your role and the type of human subjects activities you will conduct. You will be enrolled in the Basic Course for that group.

Do you conduct research with human subjects?
Choose one answer

Yes - I conduct research with human subjects or I am required to take the Biomedical basic course.

No - I do not conduct research with human subjects.

Responsible Conduct of Research (RCR)

9. This will take you back to the Main Menu. You should see the “Responsible Conduct of Research/Duke Health” listed under “Courses”. Click the “Responsible Conduct of Research/Duke Health” link.

The screenshot shows the CITI PROGRAM website header with the logo and navigation links: Main Menu / My Courses, My Profiles, My Records, My CEUs, Support, and a search icon. A success message states: "Your request has been successfully submitted." Below this is a survey prompt: "Thanks for using our new format. Would you like to share your feedback with us through a quick survey?" with buttons for "Yes, take me to the survey." and "No thanks." The main content area displays a list of courses under "Duke Health Courses":

Course	Status	Completion Record	Survey
Basic Science Research Fellows	Not Started	Not Earned	
Responsible Conduct of Research/Duke Health	Incomplete	Not Earned	

Below the table are "My Learner Tools for Duke Health" with links for "Add a Course" and "Remove a Course".

10. Before beginning the course, please complete The Integrity Assurance Statement.

The screenshot shows the CITI PROGRAM website header with the logo and navigation links: Main Menu / My Courses, My Profiles, My Records, My CEUs, Support, and a search icon. The breadcrumb trail reads: Home > Course Responsible Conduct of Research/Duke Health. The main content area displays the course title "Responsible Conduct of Research/Duke Health - Basic Course" and the following requirements:

To pass this course you must:

- Complete all 10 required modules
- Complete 2 of 6 elective modules
- Achieve an average score of at least 80% on all quizzes associated with this course's module requirements

Your Current Score is **100%**. A message states: "You have unfinished required or elective modules remaining." A button at the bottom is labeled "Complete The Integrity Assurance Statement before beginning the course".

11. After completing The Integrity Assurance Statement, you will be guided through the required modules sequentially. There is a required order for modules and you will not be allowed to start a new module without completing the previous one. Then, you will be able to pick 2 electives from the 6 offerings listed on the page. Instructions are located within the red box on the screenshot below.
